Extended Care

Extended care is for students in preschool through first grade. Space is limited and by advanced registration only. There is no drop-in service. Families need to commit to either the full school year (September-June) or a half year (September-January or February-June). The cost of attendance is the same regardless of the number of days in a given month or the number of days a student actually attends. Families will be billed monthly through the FACTS tuition payment portal.

- Before school - 7:30 am - 8:30 am
- After school - 3:30 pm - 5:15 pm

Drop Off and Pick Up Locations are the same

- Preschool parents park in the parking area on the left side of the lot as you enter, and walk their child to the preschool gate in **Zone 1**. Please do not park and leave your vehicle unattended in the drop off lane.
- PreK, K/1 and 2/3 students exit vehicles in **Zone 1**, and line up at the front door until 8:30 am
- All other students are dropped off in **Zone 2**, and gather by the bike racks. They enter through the back playground door at 8:30am.

Traffic Safety Information

Your child's safety is very important to MIS. To ensure SAFETY and to ease traffic congestion during daily drop-off and pick-up times, please adhere to our Traffic Safety Plan.

- Drive slowly on MIS property!
- The school's driveway is **ONE WAY from South to North**.
- Please remember you are in a school zone and you must obey all regular traffic laws regarding speed and parking.
- PreK - 8th grade parents will drop their child(ren) at the curb. Please have your child exit the car on the curb side for safety.
- Please do not leave your car unattended in the drop off zone. Parking is available in the slanted parking spots if you need to get out of your car.
- Preschool parents may park in a parking spot and walk their child to the preschool playground.
- Please use the crosswalk to cross from one side of the driveway to the other.
- Faculty/staff parking is in the parking area on the east side of the building.
- Bike riders and pedestrians approaching MIS from the north, should not use the driveway to enter school property. Please use the city's Bitterroot Trail along the railroad tracks to access MIS from the main entry area along Third Street.
- The bicycle rack is located on the west side of the building near the playground gate. To ensure your bicycle is secure, please use a bike lock. MIS is not responsible for lost or stolen items.
- For everyone's safety, parents and students on bikes must get off bikes and walk along the sidewalk to the bike parking area.
- If the line backs up onto 3rd Street, please pull off to the parking lane on 3rd Street.
- Please be on time and be patient with other drivers.
- It is the parent's responsibility to supervise children before and after school. It is highly dangerous for any children to be left unsupervised in parking areas.
- Please do not let children off in the road or double park to let your child out of the car.
- Please do not let your car idle while dropping off your child.
